SPLASH PAD

HOURS OF OPERATION:

10:00am to 8:00pm daily
scheduled to remain open until
mid-September (weather permitting)

FREE OF CHARGE

Splish and Splash on a hot summer day at the Tilbury Community Splash Pad! Playing in the water and meeting new friends is available to all this summer.

Officially opened in the summer of 2012, the project was initially spearheaded by the Tilbury Rotary Club. Community support helped the initiative blossom into a joint effort accepting donations from many community businesses, service groups and individuals.

Whether you have children that would enjoy the outdoor activity or you are young at heart looking to cool down,

the splash pad is accessible to all and features many interactive components. Look for the sensors around the perimeter that activate the water when triggered. Some of the water features spray higher and spin faster when multiple people are working together so don't forget to bring along friends to join in on the fun!

Conveniently located at the corner of Dupuis and Elizabeth streets, the splash pad can be found in the park adjacent to the Tilbury Memorial Arena. Bring the kids for an afternoon of fun – the park also features two unisex washrooms (one of which is wheelchair accessible), a playground, a baseball diamond and a basketball net.

CELEBRATING BUSINESS EXCELLENCE

Laliberte Collision

The story of Laliberte Collision began in 1940 at a small garage on Mill Street owned by a man named Louis Laliberte. In 1977, Louis' son Paul purchased the family business; Paul had a passion for the cars, and the business, and the determination to accommodate the needs of the local and surrounding communities.

Large additions were made to the facility in 1972 and again in 1987, followed by a massive makeover in 2012. When Paul retired in 1998, the tradition continued and is now in its third generation, owned and operated by his sons, Rob and Dave.

Through the three generations, Laliberte Collision has maintained a stellar reputation for quality workmanship and customer satisfaction. The shop has been recognized on several occasions by

the Tilbury BIA and Tilbury & District Chamber of Commerce at the annual Business Excellence Awards; chosen as recipient of the Small Industries Award (2005), Business Excellence Award for Industry (2006), and Outstanding Business Award (2012).

Whether you're looking to enhance your vehicle's appearance or have had an unfortunate accident, the Laliberte brothers and their staff will get you back on the road quickly with top quality repairs and finish at competitive prices.

THE NEW CORNER PARK

A recent beautification project has contributed to the vibrancy of Tilbury, a space that is ready for you to enjoy! Located at the Queen and Prospect intersection, this new park is a peaceful oasis in the heart of the community.

Community members, volunteers from local organizations and multiple sponsors helped transform the lot into the welcoming space it is today. Identified as a priority of the Tilbury Downtown Revitalization Project, this beautification initiative is guaranteed to enhance your experience while you are visiting the downtown.

The landscaping in the park follows a Carolinian Forest theme; Tilbury is located in the Carolinian forest region of southern Ontario characterized by its deciduous forests. The flower planters that frame front of the gazebo pay tribute to this region by featuring an image of the Tulip Tree leaf, a beautiful Carolinian tree species.

The tall spruce tree in the park is the star of Tilbury's annual winter Tree Lighting Ceremony, an evening of excitement accompanied by hot apple cider, horse-drawn carriage rides, and caroling.

The gazebo offers seating and shelter while you appreciate the peaceful sound of water cascading from the bubbling rock; the perfect escape following a day of shopping!
